Savi Melody

NICHELESS, INTELLIGENT COLOR LED LIGHTING

Savi Melody

intelligent color changing nicheless underwater LED light fixture

Savi MELODY

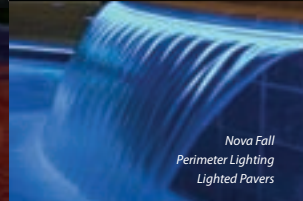

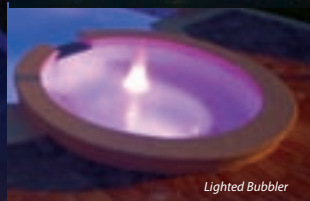

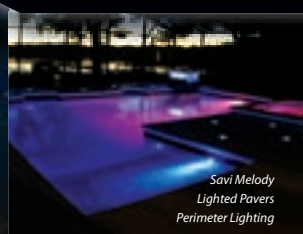

A Small but powerful lighting system, Savi Melody is designed to create even illumination and colourful lighting effects throughout your pool and spa. Fitting into standard pool fittings as shallow as 10cm below water level makes them ideal for *swimouts, beach entries, sun shelves* and other shallow water applications.

The Savi Melody can be wired to any 12 VAC transformer, wire transformer to any controller, wall switch, etc. No separate controller needed. Use multiple melodies for even illumination, you're only limited by the size of your transformer. No control box is needed and you can wire direct to a 12 VAC low voltage circuit. Just toggle power switch off/on to change color modes.

- **No Control Box Needed!**
- **No Niche Needed!**
Fits concrete, pebblecrete, vinyl, and fiberglass fittings.
- **EASY Installation**

Add an X-Stream LED Lighted water feature or accent lighting to enhance your lighting design. Savi Melody and Savi X-Stream LED products make the perfect synchronized combination. LED Lighted water features, pavers, celestial floor kits, lighted bubblers and landscape lighting - the Total Lighting Package™ from SAVI Pool and Spa.

Putting lights where you want to, not where you have to.

TRUE COLOR™ Mix Technology

Colours mix in the lamp not in the pool so the light is always pure, bright and vibrant.

ETL LISTED

The Savi Melody meets or exceeds nationally recognized electrical product safety standards for **nicheless pool lighting**.

2 YEAR WARRANTY

COMPLETE COVERAGE

Evenly distribute light with multiple Savi Melody locations.

LED LAMP LIFE

5X longer than standard pool lighting

AUTO MEMORY

Saves last setting when turned off - returns to saved setting each night.

EASY TO INSTALL

No niche is required for installation. The Savi MELODY fits into a standard 1.5" return fitting then reduce to a 1" diameter conduit.
