

AMERBRITE™

WHITE LED REPLACEMENT LAMP FOR AMERLITE® LIGHT SERIES

UPGRADE TO THE ELEGANCE OF UNDERWATER LED LIGHTING

The AmerBrite LED lamp brings the luminous splendor of LED technology to the best-selling Amerlite light series.

With its convenient Edison screw base, the AmerBrite LED lamp is a 'plug-and-play' replacement for Amerlite incandescent bulbs. With AmerBrite lamps you'll experience the vivid illumination and efficiency of today's best and brightest pool lighting technology—all without the hassle and cost of replacing your existing Amerlite light fixture.

Simply unscrew your inefficient, high-wattage incandescent bulb and replace with a high-efficiency AmerBrite LED lamp... and watch your pool come to life with luminosity.

PRODUCT FEATURES:

- AmerBrite white lamps use 34 to 51 watts of power.
- The brightest and most efficient LED replacement pool lamp on the market.
- Superior reflector design creates more uniform light distribution.
- Lens can be rotated 180 degrees to provide wide or narrow beam pattern.
- LED technology provides longer life.
- Solid-state technology with no internal filament.
- Available in 300, 400, or 500 watt equivalencies in 120V or 12V versions.
- The only UL and cUL Certified LED replacement lamp for Amerlite incandescent fixtures.

AMERBRITE™ WHITE LED REPLACEMENT LAMP FOR AMERLITE® LIGHT SERIES

Reflector and lens technology designed to eliminate "hot spots" and glare

Features IntelliBrite® 5g White Underwater LED Light technology

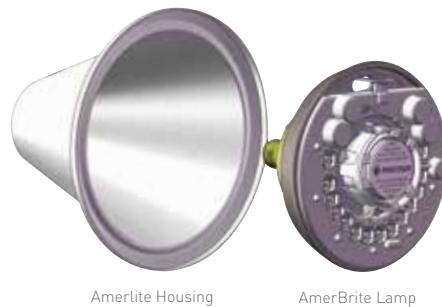

Durable, solid-state technology with no internal filament to break or wear out

ADD THE MAGIC AND BRILLIANCE OF WHITE LED LIGHTING

AmerBrite LED lamps are engineered with the most energy-efficient LED technology on the market. Consuming only 34 to 51 watts of power, AmerBrite white lamps are the only UL and cUL Certified LED replacement lamps for Amerlite fixtures. Upgrading to LED light technology has never been easier with drop-in lamps offered in 120V or 12V versions, and available in 300, 400, or 500 watt equivalencies. Plus, its extended service life and energy efficiency can add up to significant savings.

AN ECO SELECT® BRAND PRODUCT

AmerBrite LED lamps have earned the Eco Select brand distinction as one of the "greenest" and most efficient choices from Pentair. LED lights use the least amount of energy of all lighting options and are more durable for longer life.

Note: Must install inside original Amerlite pool light.
